APPLICATION
AS OF FEBRUARY 4, 2008**

The expansion of the Front End Project on February 4th, 2008 allows for the establishment of a Provincial Court Motions Court from Monday to Thursday at 10:00 a.m. in courtroom 308.

As of February 4, 2008, all Notices of Motion or Notices of Application filed with the Provincial Court will be made returnable for any Monday to Thursday at 10:00 in Courtroom 308. Counsel can attend on the returnable date to make arrangements for the motion to be heard.

Formal Practice Directives are being developed that will define the process of filing a contested motion or application in the Provincial Court. We anticipate that these Practice Directives will be introduced to stakeholders in the near future.
