PROVINCIAL COURT OF MANITOBA

RE: Prisoner Transport: 9:00 a.m. Appearances

Due to a variety of factors, Sheriff Services has been experiencing substantial difficulty transporting prisoners in time for 9:00 appearances. This has resulted in many of these matters not going ahead as scheduled. As a result, the Provincial Court will no longer be setting 9:00 a.m. matters where the accused is in custody and a personal appearance is required. All such matters will now be set at 1:00 p.m.

If video technology can be utilized for an in-custody accused's appearance, then a 9:00 start will be accommodated.

This change is effective immediately.
