RE: 2PM Trials Pilot Project

On December 15, 2016, we announced a 2PM Trials Pilot Project. Over the years, there has been a decreasing demand for 2PM trials and preliminary inquiries. While we will continue to schedule 2PM trials if requested by counsel, the dates will not be posted to the website. If counsel wish to set a 2PM trial, they should contact the **Early Disposition Coordinator** at earlypcdispos@gov.mb.ca, who will provide counsel with available dates to schedule the matter. This will increase our flexibility to use court time for 2PM trials, other half-day proceedings or dispositions in response to the demand for those proceedings, and to maximize the efficiency of court scheduling.
