PROVINCIAL COURT OF MANITOBA (WINNIPEG CENTRE)

RE: FASD COURT

The Provincial Court has seen increased demand for dispositions to proceed in FASD (Fetal Alcohol Spectrum Disorder) Court. Further, counsel have requested more variety or flexibility in the availability of this court on additional days of the week (currently FASD court sits on Thursdays at 408 York Avenue in Winnipeg and any available morning at the Manitoba Youth Center, Monday, Wednesday or Friday). In order to address this, the Provincial Court has added additional availability for the FASD court at 408 York Avenue to the “Available Dates” > “Winnipeg Available Dates” > “FASD Available Disposition Dates” posted on the Provincial Court’s website.

Please refer to the attached updated Condensed FASD Informational Sheet and the FASD Informational Sheet for further information about this Court.

Additional Education about this Court is being planned for the profession. Please watch for dates.
