RE: SUMMER SESSION

In order for a family motion to be heard in the summer, it must fall under the following criteria:

- a) New matter – where there is no order with regard to custody, maintenance and access.
- b) Summer access motion
- c) Matters involving urgent Motions
- d) The 9:15 a.m. time slots shall be reserve for child protection pre-trials, fast track trials or urgent case conferences where trial dates have been set.
- e) For the months of July and August only, matters on Friday afternoon will be set from 1:30 p.m. to end by 3:30 p.m.

Variation, contempt, appeal or procedural matters are not considered urgent, and generally will not be heard during July and August. Counsel may submit correspondence to me expressing the need for the aforementioned matters to be heard, and it will be referred to the Duty Judge for decision.
