

NOTICE

PROVINCIAL COURT OF MANITOBA

Re: Circuit Court Sitting Replacement Dates Due to COVID-19

Further to the Notice of November 10, 2020, suspending court with respect to all circuit court sittings, the following dates reflect the date the circuit should have sat within the suspended period (first date) and the date the circuit has been administratively adjourned to (second date). We are hopeful we will be able to return to the circuit points on the second date for an *in person circuit court* sittings. These dates are subject to change depending on the COVID-19 situation in each community. We urge you to check the website at the link below for updated information.

While the Court is unable to attend to the communities in person until at least the dates listed below, the Provincial Court is attempting to set up virtual dockets for several communities. These virtual dockets are not in person sittings and are run from one of the major court centres, usually by video or telephone. If a Court centre is holding a virtual docket for a particular community, counsel will be notified. There are no in person appearances for the virtual dockets. The purpose of the virtual dockets are for the court to receive an update from counsel as to the ongoing discussions and readiness for hearing regarding the matters on the docket when the Court is able to resume Court in the community. In the event an in custody matter is resolved before the Court returns to the community the matter can be heard in the nearest affiliated major court centre.

As has been the practice since the beginning of the pandemic, the Court will work in cooperation with all Indigenous communities prior to the return to those communities.

The expected dates of return to in person sittings in circuit locations can also be found on the Courts website at:
