

## NOTICE

### PROVINCIAL COURT OF MANITOBA

#### **RE: FURTHER SUSPENSION AND RESTRICTION OF HEARINGS - Child Protection Matters and Gun Court**

Further to our Notice of June 8, 2021, there are two clarifications and additions.

The Court has noted in the past that Child Protection matters are a priority for the Court. Child Protection Trials will proceed in the open Court Centres (Winnipeg, Portage la Prairie, Brandon, Dauphin, The Pas, Thompson) where they are scheduled for a Court Centre. We are prepared to hear Child Protection Trials in an open Court Centre, if the circuit court location has been closed. Counsel are asked to contact the Court to discuss options for ensuring these trials can proceed.

The “gun court” docket on June 14, 2021 in Courtroom 402 will be cancelled. All matters on this docket will be administratively remanded to the next sitting of this docket which is July 12, 2021.
