

NOTICE
MANITOBA COURT OF APPEAL

**RE: RESUMPTION OF IN-PERSON APPEAL HEARINGS AND
CHAMBERS MOTIONS STARTING MONDAY, MARCH 14, 2022**

This Notice replaces the previously issued Notice dated December 20, 2021.

The Manitoba Court of Appeal continues to balance its institutional obligations with broader public health priorities. Since January 4, 2022, all appeals have been heard remotely by videoconference and all motions or applications have been heard remotely by teleconference. Given the recently announced easing of Public Health Order restrictions that began on February 15, 2022, and, assuming the public health situation remains stable, the Manitoba Court of Appeal will resume its in-person appeal hearings in Courtroom 330 and in-person chambers motions in Courtroom 130 starting on Monday, March 14, 2022.

With respect to public safety measures, I and the Chiefs of the other two level of Courts announced on February 25, 2022 a customized transitional period that will see these measures phased out in three stages, starting on April 15 and ending on June 27, 2022. The Manitoba Courts will continue to actively monitor the public health situation and may issue further Notices adjusting timelines or reintroducing restrictions in response to changing circumstances.
