

NOTICE
PROVINCIAL COURT OF MANITOBA
(THE PAS COURT CENTRE)

RE: REVISED COURT SCHEDULE AND CIRCUIT CALENDAR

The Provincial Court is continuing to strive to ensure that Manitobans receive swift and meaningful access to justice. To that end, the court schedule and circuit calendar for The Pas will be revised as following, **effective April 1, 2025:**

- Bail applications will be heard Monday through Friday. If a bail application cannot be accommodated by the local sitting judge, the hearing will be held remotely by another court centre;
- In-custody dispositions and out-of-custody dispositions may be scheduled on the same docket;
- Available dates for trial, preliminary hearing and dispositions will be found on the Court's website at www.manitobacourts.mb.ca. All dates must be confirmed with The Pas trial coordinator prior to being set;
- Additional sittings have been added to Moose Lake, Chemawawin Cree Nation (Easterville) and Misipawistik Cree Nation (Grand Rapids) to address the need for more trial time in these communities;
- Sittings in Cranberry Portage have been reduced from 6 to 4 times a year (now sitting in March, May, June and November) to reflect the current volume of cases in this circuit location.
