PROVINCIAL COURT OF MANITOBA (MORDEN CENTRE)

RE: MORDEN PTC PROTOCOL

Consistent with the Provincial Court's initiatives to align court practices across the province and optimize court resources by eliminating remand dockets, the Provincial Court is introducing an administrative style PTC docket in Morden **effective December 3, 2024**. The PTC docket will sit at 9:00 a.m. every first and third Tuesday. Given the anticipated reduction in court hearing time, the first and third Thursday sittings will be eliminated **effective April 1, 2025**.
