### PROVINCIAL COURT OF MANITOBA (DAUPHIN CENTRE)

#### RE: Swan River PTC Protocol

Consistent with the Provincial Court's initiatives to align court practices across the province and optimize court resources by eliminating remand dockets, the Provincial Court is introducing an administrative style PTC docket in Swan River effective December 3, 2024. The PTC docket will sit at 9:00 a.m. every first and third Wednesday. Judge's dockets will sit at 10:00 a.m. on the first and second Wednesday and the second Tuesday of the month. Given the anticipated reduction in court hearing time, the third and fourth Wednesday sittings will be eliminated effective April 1, 2025.
