### **PROVINCIAL COURT OF MANITOBA (Winnipeg Centre)**

#### **RE: Youth First Appearance Court**

The Provincial Court created the youth first appearance court on April 1, 2023, to more efficiently and better deal with youth out of custody matters (March 14, 2023 Notice). As a result of the success of this court in dealing with out of custody youth in a more timely and effective manner, the docket has grown considerably. To ensure that first appearance matters are receiving the appropriate amount of time for resolution discussions and community planning, only first appearances and remands to confirm the appointment of counsel by Legal Aid will appear on the courtroom 402 10:00 a.m. docket on the second and fourth Monday of the month. All other remands will be adjourned to the newly created 2:00 p.m. court on the fourth Monday of the month.

This change is effective as of November 25, 2024.
