PROVINCIAL COURT OF MANITOBA (Winnipeg, Steinbach and Selkirk)

RE: REVISED PRE-TRIAL COORDINATION PROTOCOL

With the aim of ensuring further efficiencies in the Provincial Court of Manitoba, a PTC Protocol will be implemented in Selkirk. Further, the administration of the newly implemented Selkirk PTC Protocol and the existing Steinbach PTC Protocol will be added to the Winnipeg PTC Protocol.

The Steinbach and Selkirk PTC Protocols will now mirror the Winnipeg PTC Protocol where matters can be addressed by telephone, email and in person at the Winnipeg PCC or in person at the Steinbach and Selkirk court centres on the first and third Thursdays of the month.

Matters currently scheduled on the existing Steinbach Friday PTC docket will remain as set, until all matters are remanded to the new Thursday Steinbach PTC docket.

This Protocol replaces the April 1, 2025, Winnipeg PTC Protocol and the April 4, 2025, Steinbach PTC Protocol.

This comes into effect on March 5, 2026.
