

## **NOTICE**

### **PROVINCIAL COURT OF MANITOBA (THE PAS CENTRE)**

#### **RE: TIME LINE EXTENSIONS (TLE)**

In order to address the reassignment of cases within Manitoba Prosecution Service in The Pas and in an effort to minimize the need to move matters from the PTC docket to the Judges docket to address requests for Time Line Extensions (TLE), the PTC protocol will be amended to allow the presiding PTC discretion to grant an additional consent TLE of up to six weeks.

This amendment takes effect immediately and will remain in effect until May 29, 2026.
